Treasurer's Report

The 2020 Budget was adjusted due to the fact there are 53 Sunday's in 2020 and the budget was based on 52 weeks.

Admin Team – Helen Williams

The Admin Team was asked by a member to seek options of having our financial records audited. The Admin Team along with Pastor Bagwell has asked three members of the congregation; Lisa Villeponteaux, Tracy Weeks and Karen Mobley. They will begin to process guidelines that will best fit our needs as well as the financial cost for an external audit as well as an internal audit. The recommendations will be brought back to the church for questions and decision at a later date.

Respectfully Submitted,

Beverly Villeponteaux
